

## If you want your school to be rooted

For 54 years, our faculty has been one of the leading educational institutions in our country, providing student-centered education.

## If you care about educational staff

Our faculty trains our students both theoretically and practically, and is comprised of the most qualified instructors in Turkey.

## If you care about advanced technology

Thanks to our digitalization-oriented university and our faculty's digital dentistry infrastructure, our students are well-equipped in digital dentistry.

## If you wish to take advantage of exchange programs

- ✓ Erasmus
- ✓ Farabi
- ✓ Mevlana
- ✓ Orhun

With our internationalization-oriented university programs, it is possible to benefit from exchange programs in USA, Portugal, Netherlands, France, Germany, Italy and many other countries.

## If your aims are high

The success of our students on the Dentistry Specialization Exam is another indication of the depth of our faculty's theoretical training.

According to placements in 2022 we have:  
7 graduates in the top 10,  
24 in the top 50, and  
43 in the top 100.

## If you want a job after graduation

- ✓ Academics (Specialization in Dentistry, PhD)
- ✓ State-affiliated oral and dental health centers
- ✓ Private clinics or polyclinics

**You are in the right place!**
