WHY

EGE UNIVERSITY SCHOOL OF DENTISTRY

GET TO KNOW US BETTER

Our faculty was established in 1969 and granted “research university” status in 2021. With its emphasis on practice and student-centered education, our faculty ranks first among dentistry faculties in Turkey.

For many years, our faculty has held the top three spots in university preferences, having graduated 5277 dentists with all the necessary tools and professional experience.

With 63 professors, our faculty contributes to the improvement of dentistry education.

With the help of our qualified staff and 905 students, we are moving forward as one to be a light for the future
